

Starting or expanding a telehealth program? Join CTRC for an upcoming

Telehealth Implementation Workshop

The California Telehealth Resource Center (CTRC) provides expert on-site and virtual support! Our popular half-day Implementation Workshop guides you step-by-step through five proven development phases. You'll also receive our time-saving Telehealth Roadmap at the end of your session. It clearly outlines all the "next steps" needed to optimize your success. Schedule your customized workshop today.

- Clinical & Administrative Service Needs
- Technology Infrastructure
- Equipment Inventory
- Leadership
- Clinical Providers
